

University Accreditation Committee-update-December 1 2015

As you know, we continue to make progress on the Assurance Document that will undergo several review/revision cycles before it is submitted to HLC next year. I had the opportunity to meet with the chairs of the HLC criterion subcommittees several times this semester to review changes to this document, and the evidence files referenced in this document. The attached document describes the related timeline and process that has been approved by Provost Bronet. I have also consulted with the President's office about this document. As stated in this timeline/process document, I expect to email you the next updated version of the Assurance Document around December 6, 2015.
