

Andrew Ethan Marcoux

He/him

Hometown

Omaha, Nebraska.

Major

Bachelor of Science in Architectural Engineering

Why did you choose your major/What do you want to do with your degree?

I enjoy engineering and building design.

What is your favorite thing about the Camras Scholars Program?

It gives you many opportunities to network and get involved on campus

Where do you see yourself in 20 years?

Helping manage or owning my own engineering design firm.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

I believe my will to continually refine myself through taking on new responsibilities that challenge me and seeking to learn from other's experiences. In order to help build a better future.
