

Annika Torbenson

She/her

Hometown

Rochester Minnesota

Major

Bachelor of Science in Biochemistry

Why did you choose your major/What do you want to do with your degree?

On the pre-med-track

What is your favorite thing about the Camras Scholars Program?

I've enjoyed getting to know the other scholars and having an opportunity to give back to the community.

Where do you see yourself in 20 years?

Hopefully as a practicing physician. In the future I'd like to stay connected to IIT in as many ways as possible through our extensive Alumni network

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

Throughout my Highschool years I found that one of the most enriching experiences was volunteer work, especially working with kids. I think Camras does a great job of ensuring opportunities to give back to our community and to engage in experiences that can shape our present and future goals!
