She/her

Hometown

Orland Park, Illinois.

Major

Bachelor of Science in Architecture

Why did you choose your major/What do you want to do with your degree?

I chose Architecture because of my interest in Art and Science. I want to give back to my community through architecture in a way that I believe is impactful

What is your favorite thing about the Camras Scholoars Program?

The Camras Scholars program gives me opportunities to reach out and create connections with people I would have never met otherwise.

Where do you see yourself in 20 years?

I see myself creating spaces that people will want to preserve and utilize for a long time after me.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

As a former member of the Read and Ascend Youth Club. We were involved in community work such as preparing iftar meals for refugees in Ramadan; and organizing an Eid toy drive for families that cannot aord to buy Eid gifts for their children.
