

Lyla Marie Barr

She/her

Hometown

Ligonier, Pennsylvania

Major

Bachelor of Science in Biomedical Engineering and minor in Pre-medical studies, Specialization in Cell and Tissue Engineering

Why did you choose your major/What do you want to do with your degree?

I would like to attend physician assistant school. I chose my major because it combines the medical field and the inventiveness of the engineering field.

What is your favorite thing about the Camras Scholars Program?

I love being able to connect with older students and professors. It is a very supportive community that can help by giving advise.

Where do you see yourself in 20 years?

In twenty years, I see my self working as an emergency room physician assistant in a beautiful city.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

I enjoy participating in leadership and acts of service. I am an Eagle Scout and organized and completed the service project or restoring a nursing home garden to gain the Eagle Scout rank.
