

Paul Turberg

He/him

Hometown

Lenexa, Kansas.

Major

Bachelor of Science in Architectural Engineering

Why did you choose your major/What do you want to do with your degree?

I have always loved buildings and want to use my degree to design mechanical and electrical systems for special applications like hospitals or data centers.

What is your favorite thing about the Camras Scholars Program?

The community of other scholars or all ages who are all heavily motivated to succeed and provide excellent mentoring and resources.

Where do you see yourself in 20 years?

In 20 years, I see myself having a PE license and being a principal engineer at an engineering firm.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

4.0 GPA, Involved in Camras leadership
