

# Justin Tanase

He/him

## Hometown

Palatine, Illinois.

## Major

Bachelor and Masters of Science in Computer Science, specializing in Software Engineering

## Why did you choose your major/What do you want to do with your degree?

I would love to direct my creativity towards designing an innovative and useful computer program for the public.

## What is your favorite thing about the Camras Scholars Program?

My favorite thing about the Camras Scholars Program is the opportunities it gives students to get involved in different organizations and projects and also the connections that can be made between those students.

## Where do you see yourself in 20 years?

In 20 years I see myself working at a prestigious company or perhaps living off of my own innovative creation.
