He/him

Hometown

Elmhurst, Illinois.

Major

Bachelor of Science in Computer Science

Why did you choose your major/What do you want to do with your degree?

I chose Computer Science because I enjoy finding different ways to solve problems, and I wanted a career that would involve me in the future of technology.

What is your favorite thing about the Camras Scholars Program?

I enjoy the social aspects of befriending people from many different parts of the world and understanding them a little bit better.

Where do you see yourself in 20 years?

In 20 years, I hope to have a family and kids, with a solid career in a tech field

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

One of my favorite projects that I worked on was a few years ago in high school, where a friend and I organized a group to clean up trash along a biking path in my hometown. I really felt like I was making a difference, and I think it speaks to my willingness to help my community.
