Bowie, Maryland.

Major

Bachelor of Science in Computer Science

Why did you choose your major/What do you want to do with your degree?

I have always wanted to study technology since I was in middle school. I hope that I can become a manager of a computer company with my degree.

What is your favorite thing about the Camras Scholars Program?

My favorite thing about the Camras Scholars Program is the Pillar Project. We are able to design a project to help out the school, and it has been really fun!

Where do you see yourself in 20 years?

In 20 years, I see myself with a family with a stable job, making my friends and family proud.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

I traveled to Bolivia to study the atmospheric pollution in the mountains and then help write a research paper on it. This paper has been published as well.
