

Rhea Karumuru

She/her

Hometown

Dallas, Texas

Major

Bachelor of Science in Artificial Intelligence with a minor in Business

Why did you choose your major/What do you want to do with your degree?

I have always wanted to major in computer science, but artificial intelligence is always interested me the most. When I saw that was an option as a major at Illinois Tech, I just knew I had to do it..

What is your favorite thing about the Camras Scholars Program?

I love the community it has provided me! I have found some of my closest friends from this program and I am so grateful for it.

Where do you see yourself in 20 years?

In 20 years I hope to be in a business where I can be successfully doing what I love.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

In 2021, I was granted the President's Volunteer Service Award by Prudential Financial's Spirit of Community. I received it for garnering over 625 service hours from 2016 - 2022, most notably the 250 hours I spent from 2020 - 2021 working as a mentor for low-income, minority girls wanting to learn more about STEM.
