

# Shriya Avula

She/her

## Hometown

Vernon Hills, Illinois.

## Major

Bachelor of Science in Biology

## Why did you choose your major/What do you want to do with your degree?

I chose to be a biology major as I'm interested in cell biology and would love to do research in it. I plan on becoming a doctor.

## What is your favorite thing about the Camras Scholars Program?

I like how the program creates opportunities and a community.

## Where do you see yourself in 20 years?

I see myself as an established medical provider with a dog and a cat! I hope I also get opportunities to travel the world.

## Achievements that speaks about you as an individual and representative of this Scholarship Organization.

An initiative I've taken that represents me well is the process of becoming an EMT-B, as it reflects my passion for service and medicine. One achievement that I'm proud of is the neurobiology research that I partook in, in which I got to learn and explore about the relationship between Alzheimer's Disease and lysosomes.
