

# Smrithi Sreedhar

She/her

## Hometown

Kenosha, Wisconsin.

## Major

Bachelor of Science in Medicinal Chemistry with a minor in Pre-Medical Studies

## Why did you choose your major/What do you want to do with your degree?

I plan on going to medical school and becoming a cardiothoracic surgeon.

## What is your favorite thing about the Camras Scholars Program?

My favorite thing about the Camras Scholars Program is the leadership and networking opportunities it has given me.

## Where do you see yourself in 20 years?

In 20 years I see myself working at a teaching hospital as a cardiothoracic surgeon.

## How do you think you best represent what it means to be a Camras scholar?

Some projects and achievements that speak about me as an individual and representative of this scholarship organization include the clothing drive pillar project I organized to give back to the local community, executive board member of the Chemistry Club, senior leader of RKVYC - a community service and fundraising youth group, being the first student at my dance studio to complete my graduation ceremony (arangetram), and being the first assistant teacher at my dance studio.
