

Taran Mellacheruvu

He/him

Hometown

Downers Grove, Illinois.

Major

Bachelor of Science in Physics and Applied Mathematics

Why did you choose your major/What do you want to do with your degree?

I chose my majors because I enjoy learning how everything works, & luckily, math is my favorite subject.

What is your favorite thing about the Camras Scholars Program?

My favorite thing about the Camras Scholars Program is that it offers opportunities to engage with the community in roles of leadership.

Where do you see yourself in 20 years?

I see myself having a PhD & doing solid state physics research at a software company such as Intel.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

I am the treasurer of both SIAM's IIT chapter and SPS's IIT chapter.
