Major

Bachelor of Science in Chemical Engineering

Why did you choose your major/What do you want to do with your degree?

I want to work in energy optimization to create a cleaner world.

What is your favorite thing about the Camras Scholars Program?

Camras introduced me to a lot of new people and helped me get involved at Illinois Tech.

Where do you see yourself in 20 years?

I'd like to be working in a field where I am making a difference and creating a greener world

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

I think an important part of being a Camras Scholar is being involved in your community. At Illinois Tech I am already a part of and striving for leadership positions in clubs such as WIIT radio, IIT Track and Field, and the IIT AIChE Chem-E-Car.
