Gaithersburg, Maryland.

Major

Bachelor of Science in Computer Science

Why did you choose your major/What do you want to do with your degree?

I chose Computer Science because I am passionate about technology and problem solving..

What is your favorite thing about the Camras Scholars Program?

My favorite part of Camras is the community of dedicated students it provides.

Where do you see yourself in 20 years?

Working on a project or for a company that I am passionate about while balancing between working and spending time doing the things I love with the people I care about.

Achievements that speaks about you as an individual and representative of this Scholarship Organization.

Being the Vice-President of the Best Buddies chapter for my high school allowed me to lead a group of students by organizing events and meetings, while also giving back to my community by supporting special needs students.
