SPRING 2022 REGISTRATION

REGISTRATION INSTRUCTIONS

BEFORE YOU REGISTER

Immunization Hold

If you have an Immunization Hold, contact the Student Health and Wellness Center on Main Campus at 312/567-7550 or student.health@iit.edu and make arrangements to submit your medical records to have the hold released.

Outstanding Balance

If you are indebted to the university, you will have a financial hold preventing you from registering. Before you can register, you must clear the financial hold by paying your account balance. If you are uncertain whether you have an outstanding balance, please check your account status on the Welcome Tab, under the Student Accounting Dashboard and clicking the Manage My Account link, on your myIIT portal at https://my.iit.edu. If you need assistance, contact the Student Accounting Office at sa@iit.edu. You may also use this guide related to upcoming deadlines.

SELECTING YOUR COURSES

Using the Schedule of Classes for the Spring (posted on the Spring 2022 Quick Guide page), decide which courses you would like to take. Because of enrollment limits, some of your choices of courses or sections may be closed when your registration requests are processed after then end of the initial registration period. If you are not admitted into one or more of the courses you select, you may add additional courses or change your schedule in other ways when the add/drop period starts (see page 3). We do not maintain waiting lists for most courses.

Graduation Checklist

The following courses must be completed to earn the J.D. Students must also earn 87 credit hours, and maintain a cumulative grade point average of 2.300, to earn the J.D.

- ☐ Torts
- ☐ Criminal Lw
- ☐ Contracts
- ☐ Property
- ☐ Civil Procedure
- ☐ Legislation
- ☐ Constitutional Law
- ☐ Legal Writing 1
- ☐ Legal Writing 2
- ☐ Legal Writing 3
- ☐ Legal Writing 4
- ☐ One seminar
- ☐ A Professional Responsibility course
- ☐ Bar Exam Strategies (for students in their last year who are in the bottom 25% of their class)
- ☐ Six credits of experiential courses
- ☐ Professional Development and Identity (for students starting 2021 or later)

Sequence of courses: All required courses must be taken in the sequence designated in the registration instructions.

First-year Day students must register for Civil Procedure, Property, Professional Development and Identity, and Legal Writing 2 in the Spring. Full-time first-year students should also register for one of the following options: Legislation, the First-Year Clinic (if you applied and were accepted), or a designated elective (see page 2 of the Schedule of Classes for more information). You may not register for any additional courses.

First-year Evening students must register for Contracts, Property, and Legal Writing 2; you may not register for any additional courses.

Second-year Day students must register for Legal Writing 4, unless they have completed a Legal Writing 4 Equivalency Class.

Second-year Evening students must register for Constitutional Law.

Upper-level Evening students are required to take Legal Writing 3 and Legal Writing 4 (or a Legal

Writing 4 Equivalency Class; see below) during their second and third years. Legal Writing 3 is *not* a prerequisite for taking Legal Writing 4; the courses may be taken in either order.

Professional Responsibility: The following courses satisfy the Professional Responsibility graduation requirement: Professional Responsibility; Professional Responsibility: Business Ethics; Ethics and Advocacy; and Practice and Professionalism. You may satisfy the Professional Responsibility requirement at any time after your first year.

Experiential course requirement: In addition to the required courses listed above, students must complete a total of six credits from an approved list of experiential courses. Most students will already satisfy four of these credits through the required sequence of Legal Writing 3 and Legal Writing 4. However, students who opt for the Legal Writing 4 Equivalency Class (see below) should consult the list of approved courses to determine whether the qualifying activity counts toward the experiential requirement. Law Review does not count toward the requirement.

64-Credit classroom course requirement: At least 64 of the 87 credits required for graduation must be in courses that require attendance in regularly scheduled class sessions or direct faculty instruction. Clinical coursework counts toward the 64-credit requirement, but externships, extracurricular activities (including credits earned for participation in a law journal, moot court competitions, trial advocacy competitions, or as a Teaching Assistant), and courses taken in another academic unit (e.g., the Stuart School of Business), do not count toward the 64 credits.

Legal Writing 4 Equivalency Class: Students who enroll in Criminal Litigation 2 or Judicial Externship in the Spring semester may satisfy the Legal Writing 4 requirement *either* by taking a regular Legal Writing 4 class, *or* by taking Legal Writing 4 Equivalency Class (0 credits). See page 2 of the Schedule of Classes for more information. *Please note:* The Equivalency Class must be taken in the same semester as the activity that qualifies you to take the Equivalency Class – you may not defer the Equivalency Class to a later semester.

Seminar requirement: In order to satisfy the seminar requirement, you must have completed at least 54 hours of credit *and* Legal Writing 4 prior to beginning the seminar. You *may* take a seminar before you have earned 54 hours, but it will not satisfy the seminar graduation requirement. *Note:* You may also satisfy the seminar requirement through Independent Research in Lieu of Seminar; contact Dean Sowle for details.

Bar Strategies course: This is required for students in their last year who rank in the bottom 25% of their class; it is optional for other students in their final year. (Students in the bottom 25% of their class may petition Prof. Erin Crist for an exemption from taking the class; her email is ecrist@kentlaw.iit.edu.) The class will be taught asynchronously by Bar-Bri instructors, with oversight by Prof. Crist. It will cover Civil Procedure, Contracts, Evidence, and Property as tested on the bar exam. It will cover both substantive rules and skills instruction for the written and multiple choice portions of the bar exam. The course is letter-graded (pass/fail is not available). *Please note:* The course does not satisfy the seminar requirement.

Prerequisites

Course prerequisites that are listed on the class schedule must be completed prior to registering for a course. The instructor may waive a prerequisite with the approval of Dean Sowle.

Credit Hour Limitations

Upper-level full-time Day Division students must take at least 12 credit hours (unless in one of their last two semesters, in which case the minimum is 10 credit hours), and not more than 16 credit hours. Upper-level Evening Division and Part-Time Day Division students must take at least 8 and not more than 13 credit hours.

Credit hours for intersession classes (including Intensive Trial Advocacy 1) do *not* count as part of your semester course load for purposes of the maximum credit hour limitations, but we have to manually adjust your credits in the system to account for this. If taking an intersession course will put you over the maximum credit limit for your division, please contact Dean Sowle prior to registering so that your maximum hour limit can be adjusted in the system. First-year

students may not take intersession classes.

Students enrolled in Law Review and/or Moot Court Honor Society may take one extra credit hour (for a maximum of 17 credits for full-time students, and a maximum of 14 credits for part-time students).

Graduating J.D. students needing fewer than the minimum number of hours to graduate may take fewer credits without special permission. Taking a reduced load may affect your eligibility for financail aid; please contact the Financial Aid Office at finaid@kentlaw.iit.edu if you have questions about this.

Registering for Courses Not in Your Division

Students must take at least one-half of their credit hours each semester in the division in which they are enrolled. Courses offered only at 4:00 p.m. are considered Day Division for day students, and Evening Division for evening students.

Making Up Incompletes

If you will be making up an Incomplete grade by attending a class in the Spring semester, *do not register for the course*. You must submit an Incomplete Course Make-up Notice through your Web for Students account by the end of the second week of classes in order to earn credit for the course.

EXAM INFORMATION

Information about Spring exams – which exams will be fixed, self-scheduled, and take-home, and the dates of fixed exams – will be provided prior to the start of the Spring semester. (Under our current procedures, we need enrollment information for elective courses before determining which category they fall into.)

HOW TO REGISTER

Online Registration

To register for Spring classes, log into the myIIT portal and navigate to the registration section.

The initial registration period will run from Friday, December 17, 9:00 a.m. through Wednesday, December 22, 5:00 p.m. You may register at any time during that period. After the end of the registration period, the registration requests will be processed according to each student's registration priority (see below). In other words, *registration will not be conducted on a first-come, first served basis.* As long as you register during the designated period, you will have an equal chance of being admitted to a class as other students within your registration priority group.

To learn what classes you have been admitted into, you must check the Online Registration site on or after the start of the add/drop period on **Tuesday, December 28, 9:00 a.m.** *Registering for a class during the initial registration period is no guarantee that you will be admitted into the class – you must check the web site on or after December 28 to learn what classes you have been admitted into.*

Registration Priority

Day Division students have priority for Day Division classes; Evening Division students have priority for Evening Division classes. For upper-level elective classes in the 4:00 time slot, seats are allocated proportionately between Day Division and Evening Division. Within divisions, registration priority is based on the date a student began law studies, with the earliest starting date having the highest priority. In addition, priority for certain courses may be given to students seeking a particular certificate program. Students in the J.D. program have priority for J.D. courses over students in the LL.M. programs. Students in the LL.M. programs have priority for LL.M. courses in their program area over J.D. students.

ADDING & DROPPING COURSES

After the close of the initial registration period (see above), you may add open courses or drop courses using the online system beginning **Tuesday, December 28, 9:00 a.m.** You may add an open course without special permission until the end of the first week of Spring classes; during the second week, however, you may add an open course *only with permission of the instructor*. You may not add a course after **Tuesday, February 1, 5:00 p.m.** To find out what courses are open, check the Online Registration System.

You may withdraw from any course, except a required

course, a clinical course, Law Review, Moot Court, or Intensive Trial Advocacy, at any time prior to the date of the final exam or final paper (see § 3.10(c) of the Student Handbook). There is no tuition penalty if you drop a course no later than **Tuesday, February 1, 5:00 p.m.** You will *not* receive a tuition refund, however, if you drop a course after that time.

You may withdraw from a clinical course only up to the end of the eighth week of classes; you will not receive a tuition refund if you drop the clinical courses after **Tuesday, February 1, 5:00 p.m.**

SPRING 2022 GRADUATES

Students who plan on graduating at the end of the Spring 2022 semester must submit an online application for graduation. Information about submitting applications for graduation, and the deadline for doing so, will be published in the *Record* at the start of the Spring semester.

TUITION CHARGES, FEES, AND PAYMENTS

Tuition and Fees for the Spring 2022 Semester

Information about tuition and fees for Chicago-Kent J.D. and LL.M. programs are available on the Law School web site by clicking here.

Tuition Discount for Graduating Students Taking More than 87 Credits. If you will be graduating at the end of the Spring semester, and will be taking more than the 87 credits required to graduate, you may receive a 50% discount on each credit you take over the required 87 credits. If this affects you, please contact Dean Sowle by email no later than **Tuesday, February 1**. *Please note:* Financial aid is not available for any courses you take that are not necessary for you to reach the required 87 credits. If you hve any questions about this limitation, please contact the Financial Aid Office at finaid@kentlaw.iit.edu.

Student Health Insurance

All students, whether full-time or part-time, who were registered for at least one credit hour in the Fall semester (including intersession classes) were automatically billed for student health insurance. If you

were covered in the Fall semester and do not want coverage in the Spring semester, you should request a waiver of the insurance by **January 26, 2022**. If the waiver is approved, your student account will be refunded for the Spring portion. You will not receive a refund if the waiver is not received by January 26 and you will continue to be covered by the insurance until August 9, 2022. If you intend to waive the student insurance coverage, please read the waiver instructions in the insurance brochure carefully. For more information about the plan, including waivers, go to http://www.iit.edu/shwc/insurance.

If you waived coverage in the Fall and now wish to enroll in the student health insurance plan, or you are not currently covered for any other reason and wish to enroll, you must apply for the insurance. For more information on applying for insurance, go to http://www.iit.edu/shwc/insurance. You must enroll by **January 26, 2022.** If you enroll for the Spring, your coverage will begin January 6, 2022.

Please allow 5-7 days following your enrollment to access your ID card online or on Aetna's mobile site. You will not receive a card in the mail.

To print your insurance card:

*Download the Aetna Mobile App by visiting www.aetna.com/individuals-families/using-your-aetna-benefits/aetna-mobile.html.
*Log in (to register for access to the secure member site, type "Aetna.com" into your mobile web browser and follow the directions to Register Now)
*Select "ID Card Information."

If you need further assistance, please contact Aetna Student Health Customer Service at (800) 841-3140.

Bills

Bills are available online through your myIIT portal at https://my.iit.edu. Click on Manage My Student Account under the Welcome tab. Bills are only available through the secure online system, where you can view and print your bill statements. ***Bills will not be mailed.***

Payment of Tuition and Fees

All out-of-pocket tuition payments should be made at the time of registration. You will be assessed a 2% late fee on any balance that remains unpaid after **January 24, 2022**. Payments can be made free online through the myIIT portal on the Welcome tab. Payment options include electronic check (using a bank routing and account number) and some credit cards (credit card transactions carry a 2.85% transaction fee). Please note that, for security purposes, credit cards payments are accepted exclusively through our online system. For a complete guide to payment options, visit the Student Accounting Office's site at http://www.iit.edu/sa.

Payment Plans

Three- and Four-Month Payment Plans are available. For a complete guide to enrolling in a payment plan, visit the Student Accounting Office's website at:
https://web.iit.edu/student-accounting/payments/payment-plans

Refunds

A refund of credit balances resulting from financial aid credits will be processed once the credit balance is reflected on the student account 14 days after disbursement. You must enroll in direct deposit to receive your refund. You can enroll in direct deposit through the myIIT portal by clicking on the Welcome tab and the Manage My Student Account, then selecting Refunds. For additional information about refunds, please visit the Student Accounting Office's website at http://www.iit.edu/sa.

Students should follow up with the Office of Financial Aid prior to the first day of class to ensure that they have fulfilled all requirements for a timely disbursement of their financial aid awards. If you are not receiving loans or scholarships for the summer term, you will be expected to pay your out-of-pocket tuition payment in full by **January 24, 2022**. Financial aid scholarships and loans supersede all other forms of tuition payment.

Authorized Users

Parents or guardians who wish to view their student's account information, receive copies of E-Bills, or make online payments on behalf of their student should be set up as Authorized Users. You can add someone to your account as an Authorized User through the myIIT portal by visiting Manage My Student Account through the Welcome tab, then selecting Authorized Users under My Profile Setup.

Financial Delinquency

By registering for courses at Illinois Institute of Technology, the student accepts financial responsibility for payment in full of the student account plus (if necessary) any additional costs which may be incurred by the university in the collection of these debts. Any student who fails to meet the required payments will be charged a late penalty. This penalty will be assessed monthly at a rate of 2% of the amount due. This penalty will be charged each month until the amount due is paid in full.

Students with delinquent accounts are subject to suspension and exclusion from classes. These students may not be permitted to take final exams, receive course credits or transcripts, register for a subsequent semester, receive a degree, or be certified to the bar examiners. Students who leave the university with an outstanding balance are subject to further collection activity including placement with an outside agency. If your account is placed with an outside agency, you will be responsible for all collection costs in addition to your balance.

Failure to pay a past due debt may result in the debt being listed with the State Comptroller's Offset Program, referred to a collection agency and/or other authorized legal debt collection procedures. Under such circumstances, the student is responsible for all fees and costs incurred by the university in the collection of the past due debt, including collection fees and/or attorney's fees.

Financial Aid

Free Application for Federal Student Aid (FAFSA)
In order to be considered for federal financial aid, you must complete the 2021-2022 Free Application for Federal Student Aid (FAFSA) and list our school code **E00773**. You must meet all eligibility requirements listed on our website. Once your FAFSA has been received and reviewed, you will receive an email notification indicating that your 2021-2022 financial aid award has been finalized and is ready for you to view and accept or decline online in the myIIT portal. If you choose to accept the offered loan(s) you must complete the corresponding requirements including a Master Promissory Note(s) and Loan Entrance Counseling online. Full and detailed steps on applying for financial aid are available on the financial aid website (click here).

Steps to Apply for Financial Aid
Please refer to the Office of Financial Aid website for detailed guidance on the order of steps you need to take to receive federal financial aid (click here).

Federal Financial Aid Procedures
When you complete a 2021-2022FAFSA, you will automatically be offered all of the federal financial aid for which you are eligible for the 2021-2022 academic year. You are required to actively accept or decline your loans in the myIIT portal.

Once you have accepted your loan(s) in the myIIT portal, our office will automatically process the loan(s) with the U.S. Department of Education's Direct Loan Program.

Approval for the Federal Graduate PLUS Loan is credit based. By accepting the loan in the myIIT portal you are authorizing a credit check to be performed by Direct Loans and the loan to be processed. Generally, a student with an adverse credit history may be denied. Students may appeal the credit decision (if no other extenuating circumstances exist), or provide an endorser to Direct Loans, if denied. Please visit our website for more information about appeals or endorsers (click here).

Financial Aid Deadlines
Your financial aid file must be fully completed by **April 29, 2022**, in order to receive federal financial aid for the Spring 2022 term.

Private Education Loans
Students who do not plan to enroll for at least half-time status or do not meet other financial aid criteria are not eligible for federal loans. However, private educational loans are available for students in this situation, provided that the credit approval criteria are met. For more information on private loans see our website (click here).

Visiting at Another Law School
Students who are approved to visit another law school and wish to receive financial aid must complete the form entitled Financial Aid Request Application to Visit Another Law School in addition to the 2021-2022 FAFSA. This form is available in the Office of Financial Aid, or can be downloaded from our website (click here).

The financial aid process for visiting another school can take 5-6 weeks to complete, therefore we strongly recommend that you submit this form as soon as possible.

Please note: The Office of Financial Aid does not determine the Cost of Attendance (COA) Budget for host schools. The COA is determined by the school you plan to visit; we use the host school's COA to determine your financial aid package for the program. For this reason, it is crucial for each student to thoroughly research the host school's charges and cost of living prior to their departure.

For more information about financial aid for visiting away, see our website (click here).

Study Abroad
Students who have been granted permission to study abroad through a partner program sponsored by Chicago-Kent and wish to receive financial aid must notify the Office of Financial Aid as soon as possible. You must complete the 2021-2022 FAFSA, and meet all other financial aid requirements. In addition, you will be sent a Google Doc by the Office of International Law & Policy, which you will need to complete. Once both of these forms are complete and you meet all other financial aid eligibility criteria, you will be notified by email when your award can be viewed and accepted in the myIIT portal.

Please be aware that your Cost of Attendance during your study abroad term will be based on the living expenses of the partner program, not the living expenses of the standard Chicago-Kent budget. Tuition is based on Chicago-Kent's tuition rate for your class(es) and will be charged to your student account. In addition, some partner programs charge a separate program/administrative fee that is not a part of your charges at Chicago-Kent. This fee may be included in your cost of attendance budget but you may be responsible for paying it directly to the partner program before you receive your loan disbursement.

Please note: It is crucial for each student to thoroughly research the host school's charges and costs of living prior to their departure. Loan disbursements may not be scheduled until 10 days prior to the actual program start date. Therefore, you may be required to pay some expenses prior to receipt of your financial aid.

For more information about financial aid procedures and eligibility criteria for studying abroad through Chicago-Kent, see our website (click here).

Notification of Award
Financial Aid award notifications are sent to your Chicago-Kent email address. This typically occurs 2-3 weeks after your FAFSA is received by our office. You will be directed to the myIIT portal to view and accept your loans. If you prefer to receive a paper version of your award notification instead of notification via email, please email us at finaid@kentlaw.iit.edu or stop by the Office of Financial Aid, Room 230.

Attention 2L's, 3L's and 4L's
Your financial aid is determined differently than in your first year. Please review our website that addresses Most Frequently Asked Questions (click here).

Spring Loan Disbursement Schedule
Disbursements are scheduled 10 days before the start of each semester. The disbursement date for the Spring 2021 semester is **January 8, 2022**. This is not the same as the refund date.

Only students with completed and approved financial aid files prior to the disbursement date are eligible to have their funds disbursed on January 8, 2022. If your file is incomplete, you will receive notification from our office regarding possible missing documentation. Students who complete documentation and satisfy requirements after the scheduled disbursement date will receive their disbursements shortly after their files are complete. Please contact our office if you are unsure whether your file is complete.

Visiting Away and Study Abroad Students may have different disbursement dates. Therefore, we encourage you to contact our office for more information.

PASS-FAIL LIMITATIONS

Pass/fail election: Students may elect up to 6 credits pass/fail during their entire time at Chicago-Kent. This pass/fail election applies to upper-level elective courses that normally are letter-graded; classes that are *only* offered pass/fail do not count toward this 6 credit limit. The following classes may not be elected pass/fail: (1) required courses, including Professional Responsibility courses; (2) seminars, whether or not being taken to fulfill the graduation seminar requirement; (3) courses that have been designated by instructors as ineligible for the pass/fail election (these courses are indicated on each semester's schedule of classes); (4) courses that are graded only on a pass/fail basis (as noted above), such as clinical courses, Moot Court, and Law Review; (5) Financial Services LL.M. courses; (6) Trial Advocacy and Appellate Advocacy courses; and (7) courses taken to fulfill the requirements of any certificate program. Pass/fail registration will open shortly before the start of the Spring semester (details will be in Dean Sowle's section of the *Record*). A student taking a course on a pass/fail basis must earn at least a C to receive a P (Pass). If you pass the course but fail to earn at least a C, you will receive a grade of LP (Low Pass).

Clinic limitation: You may take no more than 24 credit hours toward graduation for clinical and externship courses combined. (Students in the Litigation and Alternative Dispute Resolution Program (LADR) and the Criminal Litigation Program are exempt from this limitation.)

EMPLOYMENT LIMITATION

Subject to the limitation for full-time first-year students mentioned below, students may work more than

20 hours a week only if they take 13 or fewer credits in a regular semester (Fall or Spring); students are prohibited from working more than 20 hours a week if they take 14 or more credits.

Full-time first-year students are prohibited from working more than 20 hours a week even if they take 13 or fewer credits (e.g., full-time summer-start students, who take only 13 credits in the Fall, are still limited to working no more than 20 hours a week).

EXCHANGE PROGRAMS

Chicago-Kent has a number of exchange programs with foreign institutions. For more information, go to http://www.kentlaw.iit.edu/academics/jd-program/study-abroad.

RECOMMENDED COURSES FOR
UPPER-LEVEL STUDENTS

I.   The faculty believes that every student should take:

    A.   Business Organizations (4 hours)
    B.   Evidence (3 hours)
    C.   Personal Income Tax (3 hours)
    D.   Remedies (3 hours)

II. The faculty believes that every student should take at least 15 hours from the following list of courses, with most courses taken from subsection A and at least one course taken from subsection B. Courses not included in this list should not be thought of as less challenging or unimportant. They may have been left off because they cover advanced or very specialized material, or because they focus on non-traditional legal materials. Students may take some of those courses with their remaining electives.

    For those students whose grade point average is in the lower third of the class after they complete their first year of law school (two semesters for day students and three semesters for evening students), we recommend in the strongest terms possible that they take at least 20 hours (rather than 15) from the following list, with a heavy emphasis on courses that cover subject matter that may be tested on the Bar Exam.

A.   Courses in major areas of law:
    1.   Administrative Law (3 hours).
    2.   Civil Litigation: one of the following: Federal Courts (3 hours), Illinois Civil Procedure (2 hours).
    3.   Commercial Law: one or both of the following: Secured Transactions (3 hours), Payment Systems (3 hours).
    4.   Conflict of Laws (3 hours)
    5.   Constitutional Law: First Amendment (3 hours).
    6.   Criminal Procedure: The Adjudicative Process (3 hours), or The Investigative Process (3 hours).
    7.   Estates and Trusts (4 hours).
    8.   Family Law (3 hours).
    9.   International Law (3 hours) or Comparative Law (3 hours).

B.   Courses focusing on statutory analysis and/or administrative agencies:
    1.   Antitrust (3 hours).
    2.   Bankruptcy (3 hours).
    3.   Copyright Law (3 hours) or Patent Law (3 hours).
    4.   Employee Benefits Law (2 or 3 hours).
    5.   Employment Discrimination (3 hours).
    6.   Environmental Law & Policy (3 hours).
    7.   Labor Law (4 hours).
    8.   Securities Regulation (3 hours).
    9.   Taxation of Business Enterp. (4 hours).

FERPA RIGHTS AND ACCESS
TO EDUCATION RECORDS

Illinois Institute of Technology, in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), has designated the following items as *directory information*: student's name, address, telephone number; parents' names, address, telephone number; major field of study, class, enrollment

status, anticipated degree date, participation in officially recognized activities, degree and awards received, most recent previous educational agency or institution attended by the student. Illinois Institute of Technology, including the Chicago-Kent College of Law, may disclose any of the above listed items without the student's prior written consent, unless the Office of the Registrar is notified in writing to the contrary. All other student academic information is considered confidential and will not be released, with certain exceptions, without the student's written permission.

Chicago-Kent also publishes certain student information in the online Student Directory (available only to members of the Chicago-Kent community). You may also request that information published in the Student Directory not be published or released; contact the Registrar's Office if you wish to submit such a request.
