Credit Hour Limits: With the exceptions noted just below, students may take a maximum of **6 credit hours** in the Summer term; there is no minimum. **Exceptions:** Students who register for 4 credits of In-House Clinic or Externship courses may take a total of 7 credits (8 credits for those taking Business Organizations). Any student taking more than 6 credits should contact Dean Sowle so that your maximum credit limit can be adjusted in the registration system.

Course Fee: A course fee of \$350, in addition to regular tuition, will be charged to full-time students for regular classroom courses taken during the Summer term, including any courses taken through our consortium programs with DePaul, Loyola, and UIC, and including classes taken through other ABA-accredited schools. The fee does **not** apply to part-time students; it also does **not** apply (for any student) to clinical courses, externships, or Independent Research credits pursued at Chicago-Kent; and it does **not** apply (for any student) to courses taken through Chicago-Kent exchange programs with universities abroad. If you qualify for financial aid loans, those can be used to cover the cost of the fee; scholarships, however, cannot be used to cover the cost of the fee. **Note to part-time students:** You may see the course fee on your account if you take a regular classroom course; a credit equal to the fee will be applied to offset the charge at the end of the Summer add/drop period.

*This is a specialized section of Evidence; you may not take this course if you have taken, or plan to take, the regular Evidence course. This course is designed to present evidence from the perspective of a trial lawyer and is aimed at students who plan a career in criminal or civil litigation. The material will cover a traditional evidence curriculum while demonstrating how the rules are actually used and argued in the adversarial process. It will be an interactive class in which students will spend a great deal of time solving evidentiary problems, arguing opposing sides, while mastering the rules. Preference will be given to students newly-accepted onto Trial Team. **Note:** If you register for this course, you will be required to register for the Intensive Trial Advocacy 1 class in August (registration for that class will take place as part of Fall 2022 registration), and then Trial Advocacy 2 in the regular Fall semester.

In-House Clinic courses are listed on the next page.
