I \_\_\_\_\_ understand that I am on academic probation and if a "non co-terminal student", I am limited to nine (9) credit hours each semester. If I am a co-terminal student, I am limited to twelve (12) credit hours each semester. I acknowledge that if I receive a C or E grade while on academic probation, I will not be able to continue my studies at the Illinois Institute of Technology. I also acknowledge that I have two (2) semesters in which to bring my GPA to 3.0 or above. Today's date \_\_\_\_\_

- Both grades will be recorded on all transcripts issued. However, only the second grade will be used to compute the cumulative GPA, even if the second grade is lower, except when the second grade is "W" or "AU".
- The same course may be repeated only once for a cumulative grade point average recalculation.
- No more than two courses may be repeated for a cumulative grade point average recalculation during an academic career as a graduate student at IIT.
- If the course is no longer offered, the provision to repeat the course for a cumulative grade point average recalculation does not apply.
- Because of poor academic performance, the Office of Academic Affairs recommends that at least three (3) of the nine (9), or twelve (12), semester hours involve remedial studies. The student should contact his/her advisor to discuss academic plans and to select courses.
